

## RRSW FALL - GATHERING: HANGAR HOTEL FREDERICKSBURG, TX. 28-29 OCTOBER

Come and experience the ultimate in aviation accommodations with the RRSW at Gillespie Co. Apt., (T82) Fredericksburg, TX. Where else can you park your Swift and walk into the lobby of a '40s era hotel? On the ground floor adjacent to the lobby, there is a lounge with "bomber jacket" leather covered easy chairs and atmosphere plus. Reservations: 830 997-9990. The RRSW keeps going back due to the superb ambience and flight line restaurant next door with a super menu also. Other accommodations are available at Sunset Inn 800 880-9581 or Days Inn 800 320-1480. October is a good flying weather month in TX.

The city has lots to offer as well. We have dinner accommodations at the "Brewery" and the Cotton Gin just off the airport. Membership requested we go back there as well, the food is excellent. The National Museum of the Pacific is a must if you have not visited this treasure of American History. It has been enlarged since our last visit. The ladies will enjoy brunch at a unique restaurant, The Herb Farm, being re-designed by the same developer as the Hangar Hotel. That will be followed by a wine probe to one of the Hill Country wineries just outside town. If time permits, a visit to the National Wildseed Farms adjacent to the wineries will be worked in.

We'll do a fly-out to Burnet Airport (BMQ) on Saturday. Commemorative Air Force has a squadron there where Dave Anderson flies their C-47, T-6 and PT-19. There will be a SMF formation ground school if there is enough interest in the airport manager's building next door to the hotel. This will be a good time to get your SMF formation qualification requirements updated for next year as well.

Transportation is available at the Motor Pool 830 990-0562 next to the Hangar Hotel. Reserve a vehicle early as they are limited. Enterprise will deliver vehicles to the airport. We have made arrangements with the FBO to discount 100LL 15 cents off the existing pump price. YOU MUST REFUEL FROM THE RAMP TRUCK TO RECEIVE THIS DISCOUNT. Ed Lloyd 512 282-0882
